

About Me:

- I love to organize & help declutter!
- I'm a mom to 3 and tag for other consignors as a little side gig!
- I've sold with SCKC for 4+ sales.
- My turnaround time will be about 4-6 weeks to get your items tagged depending on the load given.
- Any questions, please ask!

Contact Info/Drop-Off Location:

- Please drop off to my house in Baldwin, WI or text me at 651-332-1154 to make other arrangements.

What I accept:

- All items on the SCKC acceptable items list that meet SCKC standards (can be found on their website)
- Only bring me items that are in season for the upcoming sale (also found on the SCKC website)
- Clothing should come to me washed and ironed (if applicable) and ready for sale
- If you have clothing items you'd like sold as sets, safety pin or rubber band them together. Otherwise, I will use my best judgement to bundle hanging items together to reach the \$3 hanger minimum.
- Per SCKC standards, all items that take batteries should have working batteries in them. I will provide for additional \$1 per battery
- Puzzles and games should have all the pieces they originally came with.
- All items need to be in SCKC sale condition, no dirt, stains, holes, funny smells, missing pieces that are required for the use of the item, etc

My Job:

- I will enter your items into your SCKC account
- I will attach your tags to all of your items carefully and according to SCKC standards

- I will use my best judgment to determine if items should be bundled or if they will sell better on their own (i.e. baby onesies sell better as a pair/trio, books/puzzles may sell better as a bundle, etc).
- I can deliver your items to the sale for a \$40 charge with discussion of time OR return your items to you tagged, sorted and ready for you to drop off yourself.

My Pricing:

- \$20 fee to cover card stock paper, printer ink, pins, ziplock bags, tape and tag gun barbs
- \$.75 per tag for hanging items (whether that is 1 jacket, a 2 piece set or 3 onsies on that hanger) OR \$.50 per tag for hanging items if you provide the hangers
- \$.50 per non-hanging tags (whether that is 1 toy or a bundle of several toys sold together)
- \$.25 per item that I need to sort out due to stains, holes, not SCKC quality (first three are free). You will receive these items back when you pick up your tagged items
- Final payment is due when you pick up items

My Pricing:

- I will accept cash, venmo, or paypal with a document provided of a breakdown quantity charged.

Please sign to acknowledge my timing and pricing of your items. I will have copies available to sign when you drop off your items.
