

Let Me Do Your Work!

NO LIMIT ON ITEM
AMOUNT!!

About Me:

My name is Alyssa Yuengst and I love to organize and I love these sales! I'm looking to help take some stress off of your plate and have something to do while I binge watch my shows.

- I've sold with SCKC for 2 sales and looking forward to more!
- My turnaround time will be about 2-3 weeks to get your items tagged.
- Any questions, please ask!

Contact Info/Drop-Off Location:

- Please drop off to my house in New Richmond, WI. I am also willing to meet in Hudson for pickup. It's easiest to contact me via text at: 715-338-7957.

My Service:

- I will enter your items into your SCKC account.
- I will attach your tags to all of your items carefully and according to SCKC standards.
- I will use my best judgment to determine if items should be bundled or if they will sell better on their own (i.e. baby onesies sell better as a pair/trio, books/puzzles may sell better as a bundle, etc.).

What I accept:

- All items on the SCKC acceptable items list that meet SCKC standards (can be found on their website).
- Only bring me items that are in season for the upcoming sale (also found on the SCKC website).
- Clothing should come to me washed and ironed (if applicable) and ready for sale.
- If you have clothing items you'd like sold as sets, safety pin or rubber band them together. Otherwise, I will use my best judgement to bundle hanging items together to reach the \$3 handling minimum.

- Per SCKC standards, all items that take batteries should have working batteries in them. I will provide for additional \$1 per battery.
- Puzzles and games should have all the pieces they originally came with.
- All items need to be in SCKC sale condition, no dirt, stains, holes, funny smells, missing pieces that are required for the use of the item, etc.

My Pricing:

I will accept cash, Venmo, or Apple Pay

- \$20 fee to cover card stock paper, printer ink, pins, ziplock bags, tape and tag gun barbs.
- \$.75 per tag for hanging items (no matter how many items on the hanger).

OR

\$.50 per tag for hanging items if you provide the hangers.

- \$.50 per non-hanging tags (shoes, books, toys, etc.).
- \$.25 per item that I need to sort out due to stains, holes, not SCKC quality (first three are free). You will receive these items back when you pick up your tagged items or when they're dropped off.
- \$1 for each battery that needs to be placed in items (only if no batteries are installed).
- \$40 – I can deliver your items to the sale for this fee charge with discussion of the time slot selected **OR** return your items to you tagged, sorted and ready for you to drop off yourself for no fee.

I am also willing to discuss a fee for pick up and drop off to your home for items that did not sell after the sale is completed.

- Final payment is due when you pick up items from my home, I drop them off to your home, or deliver to the sale and set up.

Please sign to acknowledge my timing and pricing of your items. I will have copies available to sign when you drop off your items.
