

About Me:

- I'm a parent to a 5-year-old and a 4-year-old and love tagging for other consignors in my spare time
- I've sold with SCKC for 5 sales (6 this fall) and was previously a full-service tagger for two sales in 2025
- My turnaround time will be about 2-3 weeks to get your items tagged
- Any questions, please ask!

Contact Info/Drop-Off Location:

- Please drop off to my house in Prescott, WI. I work in Somerset; WI so would be willing to meet in Somerset. It's easiest to contact me via text at: 715-497-8019

What I accept:

- All items on the SCKC acceptable items list that meet SCKC standards (can be found on their website)
- Only bring me items that are in season for the upcoming sale (also found on the SCKC website)
- Clothing should come to me washed and ironed (if applicable) and ready for sale
- If you have clothing items you'd like sold as sets, safety pin or rubber band them together. Otherwise, I will use my best judgement to bundle hanging items together to reach the \$3 handling minimum
- Per SCKC standards, all items that take batteries should have working batteries in them. I will provide for additional \$1 per battery
- Puzzles and games should have all the pieces they originally came with.
- All items need to be in SCKC sale condition, no dirt, stains, holes, funny smells, missing pieces that are required for the use of the item, etc

My Job:

- I will enter your items into your SCKC account
- I will attach your tags to all your items carefully and according to SCKC standards

- I will use my best judgment to determine if items should be bundled or if they will sell better on their own (i.e. baby onesies sell better as a pair/trio, books/puzzles may sell better as a bundle, etc).
- I can deliver your items to the sale for a \$60 charge (limited space for delivery) otherwise items will need to be picked up in Prescott, WI or can schedule convenient pick-up location.

My Pricing:

- \$20 fee to cover card stock paper, printer ink, pins, ziplock bags, tape and tag gun barbs
- \$1 per tag for hanging items (whether that is 1 jacket, a 2 piece set or 3 onsies on that hanger) OR \$.75 per tag for hanging items if you provide the hangers
- \$.75 per non-hanging tags (whether that is 1 toy or a bundle of several toys sold together)
- \$.50 per item that I need to sort out due to stains, holes, out of season, not SCKC quality (first three are free). You will receive these items back when you pick up your tagged items or I can donate on your behalf
- \$1 per battery fee if appropriate batteries are not provided
- \$60 storage/delivery charge to the sale (very limited space available)
- \$50 for urgent pricing (less than 3 weeks out from the sale)
- Final payment is due when you pick up items/or once tagging has been completed if delivery is being completed by me
- I will accept cash or Venmo (@kayla-feltes)

Please sign to acknowledge my timing and pricing of your items. I will have copies available to sign when you drop off your items.
