

SCKC Consignor Tagging Service Agreement

Thank you for considering me to help prepare your items for the SCKC Consignment Sale!

- I've struggled with selling items on Facebook Marketplace, so I love consigning through SCKC because they make the process easy and I've always had great results. I've participated in three sales as a consignor, and I love shopping the sale, too!
- My name is Lindsay-I'm a Hudson native and mom to a 13-year-old daughter and 11-year-old son, who keep me very busy!
